This Christmas order your locally sourced meat from our farm shop

At Neston Farm Shop we source all our meat from the butchers at our sister farm shop at Hartley. The butchers at Hartley have a wealth of experience and have picked up many accolades along the way as the best butchers around!

Turkeys are sourced from Stuart Perkins at Castlemead Farm near Radstock, along with geese, cockerels and chickens too. Free range beef, pork and lamb is all locally sourced from the farmers our butchery team works closely with throughout the year. Their handmade sausages using their own recipes are 'Great Taste' Gold Award winners.

All of this is on our **Christmas Order Form** (pick one up in the shop or download from the website) and choose everything from your turkey to cheese, pastries, puddings, veg boxes and a few festive tipples.

So pick up your order form today and let us take care of the rest, it's as easy as 1,2 3!
